We pride ourselves on serving fresh local produce, cooked to order. This may mean occasionally you have to wait for the main dish that takes a little longer to prepare – please bear with us – it will be worth waiting for. Fresh food cannot always be fast food.

We make fresh bread on the premises, homemade quiches, desserts, and our own ice creams – make sure you try some.

Our fresh foods are locally sourced from various partner businesses in the area.

We are proud to serve award-winning Mud Pies from Midhurst, we realised we couldn't do better ourselves!*

Our wines are from Gusto Wines, a local supplier, and if there is something you would particularly like to see on the list – please let us know.

If you enjoy your meal or drink with us, please do share your thoughts with others on Google, Trip Advisor, and any other social media – as you know, it all helps.

Thank you for choosing the Blue Bell at Cocking today.

See you again soon,
thank you!
Steve & the team.
